

Dr. Jennifer Gormer is a nationally recognized mortgage executive, industry advocate, and Founder & CEO of the Black Mortgage Professional Alliance (BMPA). With more than 20 years of experience and over \$7 billion in mortgage transactions since 2004, she is a leading voice in advancing equitable access to homeownership and driving accountability across the mortgage industry.

She serves as Chairwoman of the Broker Action Coalition's Black Homeownership Council, where she leads national initiatives focused on closing the homeownership gap, improving loan approval outcomes, and addressing inequities in lending practices. Through her work, she

partners with lenders, brokers, and policymakers to create real, scalable solutions that impact underserved communities.

Dr. Gormer is also the CEO and Mortgage Broker of Integrity Home Lending and a former leaders and/or Consultant with top financial institutions including Capital One Home Loans and Home Equity, Mr. Cooper, JPMorgan Chase and Caliber Home Loans. Her background spans Global Corporate Compliance, audit, sales leadership, and national Learning & Development, where she has trained more than 2,000 mortgage professionals across the country.

A dynamic keynote speaker and three-time bestselling author, Dr. Gormer has been featured on national stages, including UWM Live 2024 where she addressed more than 6,000 mortgage professionals. She is widely recognized for combining industry expertise with bold advocacy to create lasting change with speaking engagements at Notorious Conferences 2024-2025, and NAR Legislative Meeting in Washington DC.

Through her leadership, she continues to build a national movement focused on empowering mortgage professionals and expanding sustainable pathways to homeownership and generational wealth.
