

CTR Forms – New and Revised – July 2026

Wire Fraud Advisory

New Form

Addition:

This form was developed in response to the persistent issue of wire fraud for use with clients. It describes what wire fraud is, as well as addresses ways to help protect clients from falling victim to wire fraud. It also lists resources if someone believes they have been a victim of wire fraud.

Protect Your Family from Lead in Your Home Pamphlet (English) Rev. 1/2026

New Form

Addition:

This is the EPA developed pamphlet revised January 2026 that has been added to the CTR forms library. This pamphlet is provided to buyers in addition to the lead-based paint and paint hazards disclosure form.

Protect Your Family from Lead in Your Home Pamphlet (Spanish) Rev. 1/2026

New Form

Addition:

Same as above.

Prospective Parties Form

Fair Housing Section

Addition:

Language and resources were added in response to the “Dear Colleague” letter sent by HUD informing licensees they should be proactively providing crime/safety and school information. The form now directs clients and customers to the local police department for crime/safety information, and school districts directly plus sites such as the National Center for Education Statistics for school information.

Disclosure of Information on Lead- Based Paint and/or Lead-Based Paint Hazards - Sales

Title and Initial Spaces

Revisions:

The title of the form was edited to a more legible font, and the initial spaces were lengthened and heightened.

Disclosure of Information on Lead- Based Paint and/or Lead-Based Paint Hazards - Rentals

Title and Initial Spaces

Revisions:

Same as above.
